A STROLOGY.—THE CELEBRATED DR. C. W. ROBACK, Professor of Astrology, Astronomy, Phrenology, and Geomancy, combined with CONJURATION, from Sweden, office No. 71 Locust street, Philadelphia, offers his services to the citizens of Indiana. He has been consulted by all the crowned heads of Europe, and enjoys a higher reputation as an Astrologer, than any one living. Nativities calculated according to Geomancy—Ladies \$3, Gentlemen \$6. Persons at a distance can have their nativities drawn by sending the date of the day of their birth. All letters containing the above fee, will receive immediate attention, and nativities sent to any part of the world, written on durable paper; and he is preparal to make use of his power by conjuration, on any of the following topics: Courtship, advice given for the successful accomplishment of a wealthy marriage; he has the power to redeem such as are given to the free use of the bottle; and for all cases of hazard, and for the recovery of stolen or lost property, and the purchasing of lottery inches. Thousands of the above-named cases have been done in this city and its vicinity, and in the United States, to the full satisfaction of all. 10,000 Nativities or Horoscopes have been cast during the last four years while here. Letters will answer every purpose, and will do as well as to call in person, and the mail is now so safe that persons need not fear to trust money through the Post Office. Dr. Roback receives from 500 to 1000 letters monthly, and has never missed one. All 'etters will be religiously attended to, as aforesaid. For more particulars, call at the office of the Sentinel and get an Astrological Almanac, gratis.
